Present membership to Wheelchairs for Ukraine is free.

I wish to apply for membership of Wheelchairs for Ukraine:

- a. In doing so I agree and support the Principles and Aims of Promoting Equality and Diversity by providing, free of charge, manual wheelchairs and other mobility aids to the many disabled people resident in Ukraine, and other countries, who otherwise have no means to gain or improve their mobility to enable them to take a more active role in their community and live a life with dignity, respect, choice and independence.
- b. In creating employment, for disabled people, in Scotland and providing wheelchairs and aids for disabled people in Ukraine we will assist in improving and promoting better physical and mental health to all disabled people who work for or benefit from Wheelchairs for Ukraine.
- c. Give Advice and Guidance on matters of disability and access to other Organisations and Governments to enhance the life chances of disabled people.
- d. Contribute to the relief of life restrictions of disabled people by working with other organisations to ensure the standard, delivery and security of wheelchairs and mobility aids to those in most need in their respective communities.
- e. In becoming a member of Wheelchairs for Ukraine I agree to treat other Members, Employees, Trustees and everyone I come in contact with as a member with dignity, respect and consideration without prejudice.
